### A Prayer

*in one voice or in unison*

Creator,  
as we come together,  
gathered on this land,  
keep us mindful  
of the covenants that have been broken  
with First Nations Peoples.  
Be with us  
as we strive to make right  
with all our relations.  
Amen.

*said responsively*

## Territorial Acknowledgment

### A Statement

*in one voice or in unison*

We acknowledge  
that the Creator  
entrusted the land on which we gather  
to First Nations Peoples.  
We strive to decolonize  
our hearts,  
minds,  
and spaces;  
to make right  
with all our relations.  
May it be so.
